

15th January to
15th September
2019

Registration fee Grant Closing date: Tuesday 24th December 2018

Application procedure

The Course Organizers are offering **TEN (10)** grants for preferably young students (<30) or researchers **native and resident** in a **developing** or an **in transition** country (see [here](#)).

What does the Grant Cover?

Each grant covers the full registration fee to the on-line Course.

What is expected from the grant holders?

Applicants must be able to complete the Course within the stated date (15th January 2019 to 15th September, 2019).

They could also be required to appear in any publicity event related to the Course diffusion, such as photo shoots, flyers or short ads.

Recipients will be requested to write a brief report about their Course experience (approximately 300 words) during the first month once started the Course. That report will be published in social media and Newsletters handled by the Course organizers and only with academic purposes.

Eligibility

- Preferably, applicants should be 26 years old or younger. A special consideration will be offered to participants between 26 and 30 years old, but participants older than 30 can also apply. Students to be eligible for this Grant can be undergraduate, graduate or postgraduate.

Application Procedures

- The applicant must complete the **request form** available [here](#).
- The next **additional documents** must also be provided:
 - 1) A certification of Academic records

- 2) Brief curriculum vitae (maximum 2 pages) **including picture**
- 3) Other Academic merits (list of publications, scientific papers, etc.)
- 4) A motivation letter explaining personal economic situation and main reasons for choosing the Course

Documentation should be e-mailed before December 24th 2018 to postharvest@upct.es

- The request form and additional documents must be all in one pdf file to be e-mailed with the Name of the applicant
- All applications will be acknowledged upon receipt.
- All applicants will receive notification of award status no later than **January 15th, 2019**.

This grant is possible due to the International & Development Cooperation Vice-rectorate of the Universidad Politécnica de Cartagena and to the SPONSORS of the Course: DECCO IBÉRICA POSTCOSECHA, SAKATA SEED IBÉRICA, MSC-MEDITERRANEAN SHIPPING COMPANY and POSTHARVEST.

(The complete Official Resolution can be seen [here](#)).
